Dear Mr. Overby:

On November 21, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question in this grievance is whether management must make a vacant duty assignment of 5 days or more available under Article 41, Section 2.B.3, or 2.B.4.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

Available full-time craft duty assignments of anticipated duration of 5 days or more will be made available as hold-down assignments. However, management may pivot the route of the "hold-down" on a day-to-day basis without incurring any liability.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Sincerely,

A. J. Johnson
Labor Relations Department
