Dear Mr. Johnson:

On September 28, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question in this grievance is whether management may properly enforce a locally developed seat belt policy.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

Local management may request the carriers to comply with his more stringent seat belt policy; however, the postmaster may not require more than what is required in accordance with current national policy as set forth in Postal Bulletin 21389, dated February 3, 1983.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Sincerely,

  
Leslie Bayliss  
Labor Relations Department
