Dear Mr. Wilson:

On November 16, 1984, we met to discuss the above-captioned grievances at the fourth step of our contractual grievance procedure.

The question in this grievances involves an allegation that the Postal Service is violating the Privacy Act by requiring employees to expose their social security number on identification badges.

During our discussion, it was mutually agreed that the following would represent a full settlement of these cases:

We agreed that employees may request new identification badges in accordance with the procedures outlined in Postal Bulletin 21485, dated November 15, 1984.

M 00085

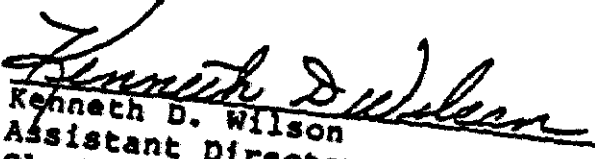

Mr. Kenneth D. Wilson
