Re: NALC Branch
Glendale, CA
NC-W-4061/W1192-76N

Dear Mr. May:

On January 13, 1977, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

Local management has been advised that labeling of carrier cases is bargaining unit work. The grievance is sustained to the extent that supervisors will refrain from performing bargaining unit work except as specifically provided for in Article I, Section 6 of the National Agreement. However, the requested remedy in this instance is without merit.

Sincerely,

(Signed)
