Dear Mr. Riley:

On August 23, 1977, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

Based on the evidence presented in this grievance, we find that the grievant was properly denied payment for the loss of a battery in her motor vehicle.

Therefore, it is our conclusion that no violation of the National Agreement occurred and the grievance is denied.

Sincerely,

Michael J. Harrison
Labor Relations Department

NOTE: Article XXVII clearly excludes motor vehicles and their contents.

Arbitration Not Requested.
