Dear Mr. Overby:

On May 10, 1982, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

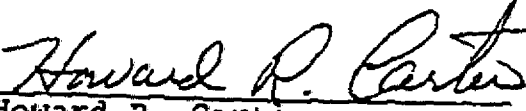

The question raised in this grievance involves the scheduling of part-time flexible employees for less than eight (8) hours, when they have exercised their preference for available full-time assignments per Article XLI, Section 2.B.4, 1978 National Agreement. It was mutually agreed to fully settle this case as follows:

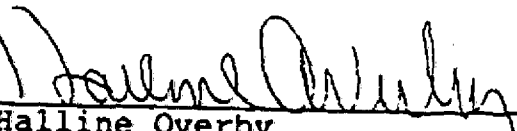

A part-time flexible who, pursuant to Article XLI, 2.B., 1978 National Agreement, has selected a craft duty assignment by exercise of seniority shall work that duty assignment for its duration. This includes the daily hours of duty of the assignment. The local Union's request for pay and leave adjustments is diminutive compared to the overwhelming administrative burden to implement. Local management will ascertain that full pay and benefits are credited for all hours actually worked by the employees involved.

Please sign the attached copy of this decision as your acknowledgment of agreement to resolve this case.

Time limits were extended by mutual consent.

Sincerely,

Howard R. Carter
Labor Relations Department
