Dear Mr. Johnson:

On March 8, 1985, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether overtime opportunities in the letter carrier craft are being properly distributed to carriers who serve on supervisory details during the quarter.

During our discussion, we agreed to fully resolve this case with the following mutual understanding. Carriers, who serve as temporary supervisors, are not entitled to make-up overtime opportunities for the overtime opportunities missed while serving as a supervisor. Article 8, Section 5.C.2.b should be applied to these carriers on a ratio basis to the time served as carriers during the quarter.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to resolve this case.

Sincerely,

A. J. Johnson
