Dear Mr. Overby:

On September 7, 1982, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

The issue in this grievance involves the changing of Designation/Activity codes of carriers holding VOMA positions. As final settlement in all matters relating to this dispute, the parties at the national level agree to the following resolution:

The Designation/Activity code changed to 11-0 for the VOMA position was to establish administrative financial accounting procedures. This change in no way affects the employees' conditions of employment or collective bargaining agreement protections in any manner whatsoever.

Please sign the attached copy of this decision as your acknowledgment of agreement to resolve this case.

Sincerely,

  
 Howard R. Carter  
 Labor Relations Department
