Dear Mr. Overby:

On September 7, 1982, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

The issue in this grievance involves whether management should repost a VOMA position when there is a change in non-scheduled days. As final settlement in all matters relating to this dispute, the parties at the national level agree to the following resolution:

When a multi-craft position, such as VOMA, is occupied and the position is modified by either hours worked or non-scheduled days, the position is not to be reposted.

Please sign the attached copy of this decision as your acknowledgment of agreement to resolve this case.

Sincerely,

Howard R. Carter
Labor Relations Department
