Dear Mr. Overby:

On several occasions, the most recent being July 27, 1982, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

The question raised in this grievance involves the requirement of carriers to initial PS Form 2548-A, Individual Training Record.

As final settlement in all matters relating to this dispute, the parties at the National level agree to the following resolution:

In accordance with Section 732.15 of the Employee and Labor Relations Manual, PS Form 2548-A is completed by the training agent and/or immediate supervisor. The initialing of this form by an employee is not a condition of employment and employees should not be required to initial the form under the threat of disciplinary action. Should our employee elect not to initial PS Form 2548-A, the PEDC Manager or immediate supervisor should certify on the form that the prescribed training was accomplished.
