Dear Mr. Overby:

On January 24, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented as well as the applicable contractual provisions have been reviewed and given careful consideration.

We mutually agreed that if an EEO complainant has expressed in writing his desire that any communications concerning his formal complaint be made through his representative, that request should be honored under normal circumstances. The complainant must furnish the name, address and telephone number of his designated representative.

Please sign and return the enclosed decision as acknowledgment of agreement to resolve this case.

Time limits extended by mutual consent.

Sincerely,

  
Robert L. Eugene  
Labor Relations Department
