Dear Mr. Johnson:

On several occasions, the most recent being April 2, 1985, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance involves the forwarding of parcels by the letter carrier craft.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

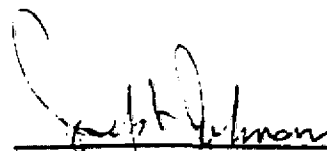

In offices where there is a CFS/CMU, site, letter carriers shall not be required to forward or return any class of mail, including oversize parcels. Letter Carriers shall continue to endorse undeliverable as addressed in accordance with current policy.

Please sign and return the enclosed copy of this letter-as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Leslie Bayliss
