Dear Mr. Overby:

On June 14, 1983, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the National Agreement.

The question raised in this grievance is whether local management has violated the National Agreement by issuing a directive regarding the time that sick calls would be received by the carrier supervisor.

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. It was mutually agreed that any local policy establishing a call-in procedure must be in compliance with Section 513.332 of the Employee and Labor Relations Manual.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for application of the fact circumstances to the above-referenced ELM provision.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

  
Leslie Bayliss  
Labor Relations Department
