Dear Mr. Overby:

On October 31, 1984, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question in this grievance is whether management improperly charged letter carriers to replace their lost badges.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

In accordance with ASM 273.272, management is proper in charging an employee for a lost badge. Management shall, however, inform an employee of a money demand under Article 28 of the National Agreement, and the demand must include the reasons therefor.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

*Leslie Bayliss*
