Dear Mr. Conners:

On September 25, 1986, a prearbitration discussion of the above-captioned grievances was held. The issue in these cases involves placement of senior unassigned regulars in unbid vacancies.

During our discussion, we agreed that the following would represent full and final settlement of the issue:

1. Article 41.1.A.7 does not specify placement of unassigned regulars by juniority or by seniority.
2. Where a question of established past practice exists it will be determined in regional arbitration.
3. No changes in assignments currently filled will be made as a result of this settlement.
