Dear Mr. Overby;

On February 5, 1985, we met to discuss the above-captioned case at the fourth step of our contractual grievance procedure.

The question in this grievance is whether management improperly prohibited letter carriers from engaging in certain activities during their lunch period.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case.

Management is proper in authorizing lunch locations in accordance with the M-39 Handbook and the instructions contained on Form 1564A. Letter carriers, however, are free to pursue activities other than eating lunch during their authorized meal period so long as such activities are not in violation of postal regulations.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Leslie Bayliss
