Dear Mr. Huerta:

On May 18, 1972, we met with you to discuss the above captioned grievance.

The grievance is sustained. It is noted that Item 33 of the "10 items added to the National Agreement" sets forth the rights of union officials to enter postal installations as follows:

"Upon reasonable notice to the Employer, duly authorized representatives of the Unions shall be permitted to enter postal installations for the purpose of performing and engaging in official union duties and business related to the Collective Bargaining Agreement. There shall be no interruption of work of employees due to such visits and representatives shall adhere to the established security regulations."

Sincerely,

Timothy J. O'Sullivan
