Dear Mr. Riley:

On February 3, 1977 we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

During our discussion we agreed that the Step 4 grievance referenced in this case had been resolved. Accordingly, the information requested in this grievance is not necessary since the issue is now moot. Therefore, this grievance is considered closed.

However, we note that if information requested by the union is relevant to a pending Step 4 grievance the requesting union representative should be allowed access to that information in accordance with the applicable provisions of Article 17, Section 3 of the 1975 National Agreement.

Sincerely,

William J. Downes
Labor Relations Department
