Re: Class Action
 Flushing, NY 11351
 H4C-1M-C 2986

Dear Mr. Tunstall:

On several occasions, the most recent being April 10, 1987, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether local management violated the National Agreement by denying a former employee, who is a certified union steward, access to the Flushing, New York, Post Office.

During our discussion, we mutually agreed that the following constitutes full and final settlement of this case:

The individual named in this grievance will be allowed to enter the facility to perform the functions of a steward or chief steward in accordance with the provisions of Article 17.2D.

Please sign and return the enclosed copy of this letter acknowledging your agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Muriel A. Aikens
