Dear Mr. Farris:

On February 11, 1988, we met to discuss the above-captioned grievance at the fourth step of the contractual grievance procedure.

The issue in this grievance is whether management may authorize an employee to drive without a valid OF-346.

During our discussion, we mutually agreed that it is the joint responsibility of the issuing official and the employee's supervisor to ensure that the OF-346 is renewed before its expiration date.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Michael J. Guzzo, Jr.
