Dear Mr. Hutchins:

On October 14, 1988, you and Charles Dudek met in prearbitration discussion of the above-captioned grievances.

During this discussion, we mutually agreed the general delivery and pickup of Express Mail is bargaining-unit work. It is also understood that management has not designated this work to any specific craft. In accordance with the above understanding, management is prohibited from performing bargaining-unit work except as enumerated in Article 1, Section 6.

This settlement is not intended to prohibit management from assigning available personnel as necessary, including nonbargaining-unit persons, to meet its commitment where Express Mail is concerned in connection with noon and 3 p.m. deliveries and office closings.

It is also agreed to remand Case No. H4N-3T-C 5350, Norman Oklahoma, and Case No. H4N-3U-C 25828, Houston, Texas, to the regional level for further processing, including arbitration if necessary, consistent with the above understanding.

Mr. Lawrence G. Hutchins

Please sign and return the enclosed copy of this letter acknowledging your agreement to remand these cases and withdrawing H4N-3T-C 5350 and H4N-3U-C 25828 from the national pending arbitration listing.

Sincerely,

for Stephen W. Furgeson
