Dear Mr. Hutchins:

On December 1, 1988, we met with NALC Director of City Delivery, Brian Farris, to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether the grievant should have been assigned to work overtime on his own route.

During our discussion, we mutually agreed that a letter carrier who signs for work assignment overtime is both entitled and obligated to work any overtime that occurs on the carrier's assignment on a regularly scheduled day, except when the carrier would perform the work at the penalty overtime rate and when another carrier who had signed the regular OTDL could perform the work at the regular overtime rate.

Therefore, in order to settle this grievance at this time, the grievant will be paid 2 hours pay at the overtime rate, less normal deductions.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Arthur S. Wilkinson
