MEMORANDUM FOR REGIONAL MANAGERS
LABOR RELATIONS

FIELD DIRECTORS
HUMAN RESOURCES

SUBJECT: H7N-2M-C 443
Class Action
Weston, WV 26452

On May 17, 1988, the above-referenced case was settled by agreement of the parties at Step 4 of our negotiated grievance procedure. A copy of that settlement is attached for your convenience.

This letter is intended to serve as a joint statement of the parties in clarification of the settlement in H7N-2M-C 443 (Weston, WV), and reflects the meaning and understanding of the parties, then and now.

The following language appears in the subject settlement:

If the phrase "distribution tasks" or "may personally perform non-supervisory tasks" is found in a supervisors position description, this does not mean the casing of mail into letter carrier cases.

The parties agree that the meaning and intent of their settlement did not change the meaning of a prior settlement in case number NB-C-2981 (N-61)/S-SPR-M-55. The language in that settlement reads as follows:

"The provisions for distributing mail, as contained in a supervisors position description, refer to clerk duties and not the routing of mail into a carrier case." (Emphasis added)

To this effect, the language of this joint statement of clarification should be deemed to be substituted for that which appears in the original settlement agreement of case number H7N-2M-C 443.
