Dear Mr. Hutchins:

On November 20, 1991, a prearbitration meeting was held to discuss the merits of the above-referenced grievance.

The issue in this grievance is whether management must fill a T-6 assignment which is vacant for five days or more.

During our discussion, we mutually agreed that management may not refuse to fill a T-6 assignment which is vacant for five days or more, in order to reserve that assignment for other purposes such as pivoting.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case and remove it from the pending national arbitration listing.

Sincerely,

William J. Downes
