Dear Mr. Sombrotto:

Recently, a meeting was held with NALC, Director of City Delivery, Brian Farris, to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether management violated Article 7, Section 2 of the National Agreement by assigning level 4 Automated Markup Clerks to perform carrier casing duties.

During our discussion, we mutually agreed that the practice of using level 4 Automated Markup Clerks to perform carrier casing duties under these circumstances should cease. The U.S. Postal Service position with respect to assigning lower level work to employees in higher level positions in accordance with Article 7.2.B and C is not prejudiced in any way by the settlement of this Step 4 grievance.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Patricia A. Heath
