Dear Mr. Sombrotto:

On May 4, 1992, we met with your representative, William Young, to discuss the above-captioned grievances at the fourth step of our contractual grievance procedure.

The issue in these grievances is whether management violated the Agreement when the grievant was permanently reassigned work in another craft.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in these cases.

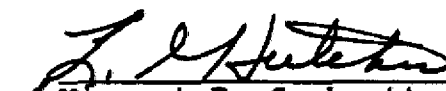

Further, it is agreed that ELM, Part 546.14 is applicable in such cases. Accordingly, these cases are returned to Step 3 for further processing, including arbitration if necessary to determine whether the ELM provisions were appropriately applied.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand these cases.

Time limits were extended by mutual consent.

Sincerely,

William J. Molloy
