Dear Mr. Sombrotto:

On April 24, 1994, I met with the NALC Assistant Secretary-Treasurer, Michael O'Connor, to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

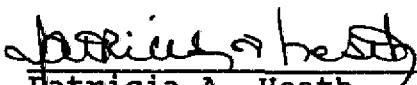

The issue in this grievance is whether both "holiday leave pay" and "holiday worked pay" count toward the 60 hour work limitation found in Article 8.5.G.

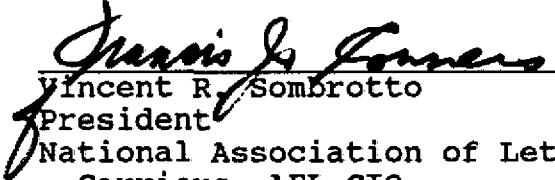

During our discussion, we mutually agreed that "holiday leave pay" paid for an employee's holiday or designated holiday is counted toward the 60 hour limit. However, if an employee actually works on a holiday or designated holiday, only those work hours in excess of eight hours are added to the eight hours of "holiday leave pay" when determining hours which count toward the 60 hour limit.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to settle this case in its entirety.

Time limits were extended by mutual consent.

Sincerely,

 Patricia A. Heath
