Dear Mr. Sombrotto:

Recently, a meeting was held with the NALC Director of City Delivery, William Young, to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether carriers must be permitted to carry their routes on a state holiday.

The parties mutually agreed that on days when the Post Office is closed for local observances, full-time carriers scheduled for duty who do not have approved leave, will be allowed to work. In such circumstances they will be allowed to work as much of their bid assignment as is available. It is the parties' understanding that, in this case, street delivery is not available. In the event there is insufficient work on their bid assignment to meet their work hour guarantee, they may be assigned work in accordance with Article 7 Section 2.B of the National Agreement.

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing, or to be rescheduled for arbitration, as appropriate.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Time limits were extended by mutual consent.

Sincerely,

Rodney J. Lambson
