 CLASS ACTION  
 ATLANTA GA 30304-9511

Dear Mr. Sombrotto:

Recently, I met with your representative, James Souza, to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether Management violated the National Agreement by not allowing Delivery Point Sequencing (DPS) issues to be discussed in the Union Management Pairs (UMPs) process.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case.

During our discussions the parties agreed that DPS issues may be discussed in the UMPs process, unless the UMPs agreement provides otherwise, or unless the case involves an issue which is pending at the national level.

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to remand this case.

Time limits were extended by mutual consent.

Sincerely,
