Dear Mr. Sombrotto:

Recently, I met with your representative, William Young, to discuss the above-captioned grievances at the fourth step of our contractual grievance procedure.

The issue in these grievances is whether the implementation of the local Workload Assessment process violates the National Agreement.

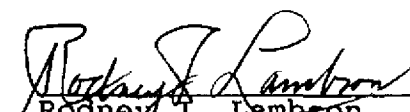

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in these cases.

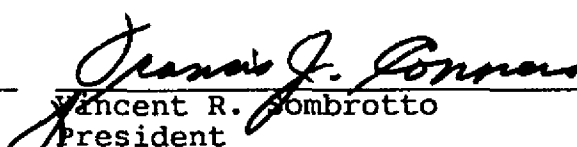

Inasmuch as management asserts that the "Workload Assessment" process will not be used for purposes of discipline and route inspection, the parties agree the issue is moot. Accordingly, we agreed to close these cases at this level due to the issue being moot.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to close these cases.

Time limits were extended by mutual consent.

Sincerely,

Rodney J. Lambson
