CLASS ACTION (VOMA)
WASHINGTON DC 20260-4100

Dear Mr. Young:

On several occasions, I met with your representative to discuss the above-referenced grievances at the fourth step of our contractual grievance procedure.

During our discussions, we mutually agreed that this case will be administratively closed at this level based on the following:

- 1) There is no change in duties and responsibility of the VOMA position
- 2) The VOMA position is still a multi-craft position
- 3) The successful bidder will be represented by the craft from which they came.

Please sign and return a copy of this decision as your acknowledgment of agreement to administratively close this case at this level.

Sincerely,

Richard A. Murmer
