Dear Mr. Sombrotto:

On several occasions, I met with your representative to discuss the above-captioned grievance currently at the fourth step of our contractual grievance procedure.

The issue in this case is whether management is required to compensate an employee for time spent in a medical facility, after the employees tour of duty has ended, as a result of a management directed medical evaluation.

After reviewing this matter, it has been decided to sustain this case.

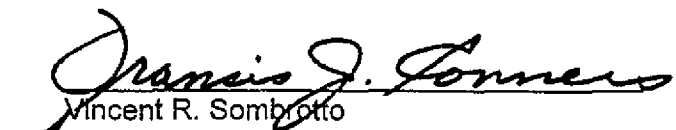

Accordingly, we mutually agreed to remand this case to the parties at Step 3 for determination of proper remedy, if any.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement to remand the remedy portion of this case.

Time limits were extended by mutual consent.

Sincerely,

Richard A. Murmer
