January 11, 2007

Mr. Fredric Rolando
Executive Vice President
National Association of Letter Carriers
AFL-CIO
100 Indiana Avenue, NW
Washington, DC 20001-2144

Dear Fred:

Pursuant to our previous conversation, the Postal Service has reset the bid counters for each letter carrier to zero effective November 21, 2006. It was necessary to re-program the automated bidding process prior to the expiration of the national agreement to avoid improperly denying a letter carrier bid.

Implementation was accomplished through a CMS Update, a copy of which is attached.

Sincerely,

A handwritten signature in black ink, appearing to read "A.J. Johnson".
