Re: B94N-4B-C-96077075  
Class Action  
Buffalo, NY 14240-9998

Dear Mr. Young:

Recently our representatives met in prearbitration discussion of the above-referenced grievance.

The issue in this case is whether the clerk craft or the city delivery letter carrier craft has jurisdiction over generating PS Form 3883-A in Buffalo, New York.

After reviewing this matter, we mutually agree that no national interpretive issue is presented in this case. We agree to remand this case to Step B through the National Business Agent for application of the following understanding:

PS Form 3883-A is an electronically generated version of manually prepared PS Form 3883. The parties agree that changing from use of manual Form PS 3883 to electronic PS Form 3883-A cannot be the sole reason for altering a past practice, as defined in Article 5 of the JCAM, on completing PS Form 3883.

Please sign and return the enclosed copy of this decision as acknowledgment of your agreement to remand this grievance and remove it from the national arbitration docket.

Sincerely,
