Re: Q06N-4Q-C 12303668  
 Class Action  
 Washington, DC 20260-4101

Recently our representatives met on this Article 19 appeal which was pending national arbitration.

This case is resolved based on the following:

By letter dated May 15, 2013, the Postal Service advised that:

*The final version of Handbook EL-804 included an unintended revision to language regarding on-the-job instructors [Section 137.2, Responsibilities. Provide 3 days (24 hours) of orientation and training when a new employee arrives at the duty station].*

*Handbook EL-804 will be updated to reflect a continuation of the subject language from the predecessor version of the handbook. Please note that the language will be located in Section 136.1 due to other changes made when Handbook EL-804 was updated.*

Without prejudice the position of either party in this case or any other grievance we agree to close this case.

Please sign and return the enclosed copy of this decision as acknowledgment of your agreement to resolve this case.

Sincerely,

Alan S. Moore
