RE: Q06N-4Q-C 09106125
Class Action
Washington, DC 20260-4100

Dear Mr. Rolando:

Our representatives met to discuss the above-captioned case which is pending national arbitration.

After reviewing this matter, the parties agree that the issue described in the Postal Service's February 13, 2009, letter to the union does not represent an interpretive issue in dispute between the parties.

Accordingly, the national case is closed without prejudice to the position of either party in this or any other matter. Any grievances held pending the outcome of this case (including case J06N-4J-C 08321007, Alpena, Michigan) should be processed in accordance with Article 15 of the National Agreement.

Please sign and return the enclosed copy of this decision as acknowledgment of your agreement to resolve this case.
